

The list set out below represents, as of November 6, 2015, those Iran-related individuals and entities that will not be removed from the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) List of Specially Designated Nationals and Blocked Persons (SDN List) in connection with "Implementation Day" under the Joint Comprehensive Plan of Action (JCPOA) of July 14, 2015. Implementation Day will occur when the International Atomic Energy Agency (IAEA) has verified that Iran has implemented its key nuclear-related measures described in the JCPOA. The list below includes individuals and entities OFAC expects to remain on the SDN List at least until the JCPOA "Transition Day," which is slated to occur on the earlier of October 18, 2023 or the date on which the IAEA reaches the Broader Conclusion with respect to Iran's nuclear activities, as well as individuals and entities OFAC expects to remain on the SDN List after Transition Day.

This document is explanatory only and does not replace the SDN List. The list below only represents those Iran-related individuals and entities on the SDN List as of November 6, 2015. The category of Iran-related individuals and entities on the SDN List is subject to change over time and could either expand (should the U.S. government sanction additional individuals and entities in connection with Iran's support for terrorism, its human rights abuses, its ballistic missile program or WMD proliferation, its destabilizing activities in the region, or under other U.S. sanctions authorities that are not impacted by the JCPOA) or contract (should the U.S. government make a determination to remove particular Iran-related individuals or entities from the SDN List). To the extent such changes occur after November 6, 2015, they will be reflected on the SDN List, not on the list below. Interested parties should continue to consult the SDN List at <http://www.treasury.gov/ofac/downloads/t11sdn.pdf>, which can also be searched at <http://sdnsearch.ofac.treas.gov/> for the most up-to-date information. U.S. persons will continue to be broadly prohibited, with limited exceptions, from engaging in transactions involving Iran, including the Government of Iran, and are advised to consult all lists on the OFAC website <http://www.treasury.gov/resource-center/sanctions/SDN-List/Pages/default.aspx>.
